To Whom It May Concern,

I have recently been contacted by my constituent, Mr. Keith Wright, regarding the U.S. Department of Agriculture. Please find enclosed a letter detailing Mr. Wright's concerns. He has stated his plant, Brooksville Meat Fabrication Center, was suspended for the fourth time this morning due to allegations of inhumane slaughter for livestock.

I want to express my interest on behalf of this constituent and ask to be kept advised of developments as they occur. Please review and extend every consideration to Mr. Wright's request. Also, please inform my Constituent Liaison, Krystal Tillet, of the status and of any action that was taken on his behalf. Krystal can be reached at my Crescent Springs district office at 859-426-0080.

The information you provided will be most helpful to my constituent. Thank you for your time and attention to this matter.

Sincerely,

Thomas Massie
Member of Congress
