

## WEBSITE DEVELOPER

### Organization Summary:

The Animal Welfare Institute (AWI) is a nonprofit organization founded in 1951 whose mission is to alleviate the suffering caused to animals by people. With headquarters in the Eastern Market district of Washington, DC, AWI employs approximately 25 staff and consultants, with most located at its headquarters and others operating from locations around the country. AWI is program oriented—90 percent of our budget goes to support our programs to protect farm animals, animals in research, companion animals, and terrestrial and marine wildlife via educational programs, strategically crafted campaigns, political advocacy, litigation, and engagement with industry, policymakers, scientists, other NGOs, and the public.

### Position Summary:

AWI is currently seeking a part-time contract website developer to help with front-end web development, user experience optimization, and other website-related tasks, as needed.

### Responsibilities:

- Take designer's creative vision and communicate into action items for external team of developers
- Maintain the appearance of website by adhering to style standards on fonts, colors and images
- Develop simple web sites for special campaigns
- Identify, troubleshoot, and solve user experience problems
- Analyze user feedback and activity to enhance the user experience
- Keep up to date with user experience trends; brainstorm creative ways to make AWI's website as user-friendly as possible

### Education:

- 4-year college degree or equivalent work experience

### Skills and Experience:

- Experience with CMS, specifically Drupal 8
- Knowledge of HTML/CSS requirements
- Proficient understanding of cross-browser compatibility issues
- Project management experience preferred
- Familiarity with SEO best practices a plus
- Familiarity with animal welfare a plus

### Job Location

Washington, D.C. or remote

### Salary/Benefits

Hourly rate is commensurate with experience and abilities. This is a contract position and does not come with benefits, however, candidates seeking full-time employment in our Washington, DC headquarters are also encouraged to apply – please specify.

**To apply:**

Please send a cover letter, resume, and link to website sample to [jobs@awionline.org](mailto:jobs@awionline.org), "Attn: Web Developer." The position will remain open until filled. **No telephone calls, please.**
