

Welcome to our
ANIMAL SHELTER

**A shelter is a good place
to find a dog friend.**

My dog likes it when I read her a story.

**Even when my dog makes a mistake,
I never yell at him or hit him.**

I brush my dog every day.

My dog has a soft, warm place to sleep.

A veterinarian is an animal doctor.

Dogs have feelings, just like we do.

Draw a line between the kids and dogs who are feeling the same way.
